Re: Bedoya v. NYC Citrus LLC  
Case No.: 20-cv-00548

Your Honor,

This firm represents the Plaintiff in the above referenced FLSA matter. We write to withdraw our motion to compel which was filed on June 14, 2021. D.E. 26. After the Plaintiff filed his motion, Defendants complied and delivered their responses to Plaintiff's discovery demands. Although we believe the Defendants responses are inadequate, we intend to meet and confer with Defendants' counsel regarding these issues pursuant to Local Civil Rule 37.3.

Very truly yours,  
LAW OFFICE OF WILLIAM CAFARO
